

HOME LEARNING - Sample Sheet for Year 4

Over two weeks, complete all four activity boxes in the top row and any two boxes from the bottom row.

Reading

Read 3-5 pages from our class text, “???” to yourself three times each week. At least once per week, read the pages aloud to a parent.

Mon		Mon	
Tues		Tues	
Wed		Wed	
Thurs		Thurs	
Fri		Fri	

Have a parent initial a box for each time you read.

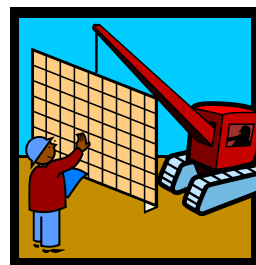

Writing

Write a short paragraph describing your favourite character from our class text. Remember to use a topic sentence introducing the character, descriptive words about appearance and behaviour, the reason why you like the character and a concluding statement.

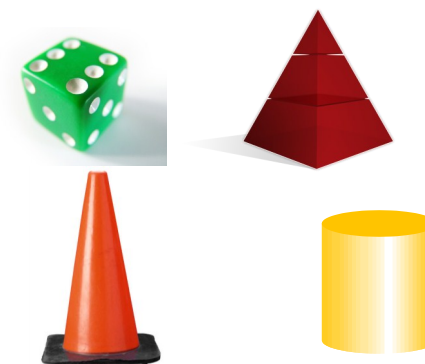

Spelling

Complete the word search provided looking at words from our current class text.

Mathematics

In class, we have been learning about 3D shapes. Find some 3D shapes around your house and sketch them in lead pencil. Label the shapes.

Other Key Learning Areas

Over the past two weeks, we have been learning about the weather and how weather patterns can be predicted.

Watch the weather forecast for three nights. Write down the predictions.

The next day, write down how close the predictions were to the actual weather.

Something for You

Choose three items from the list below and tick the box when you have done one of them for at least 30 mins.

Sport		Playing	
Music		Walking	
Art		Singing	
Dance		Running	
Drama			

Something for Others

Choose three items from the list below and tick the box when you have done one of them.

Clear the table		Write an email	
Help with cooking		Draw a picture for someone	
Ring a relative		Tidy your room	
Write a letter		Help a younger child	
Help in the garden			

Mystery Box

Think about the science unit we have been doing in class. Write a question about something you really want to find the answer to.

Think about how you will find the answer.

Do some research by asking others, doing some reading or looking on the internet. Take some notes.

Write a response to your question.
